October 23, 2013

Abstract

This is my article. It will be revolutionary. It will overturn all the current theories.

Introduction

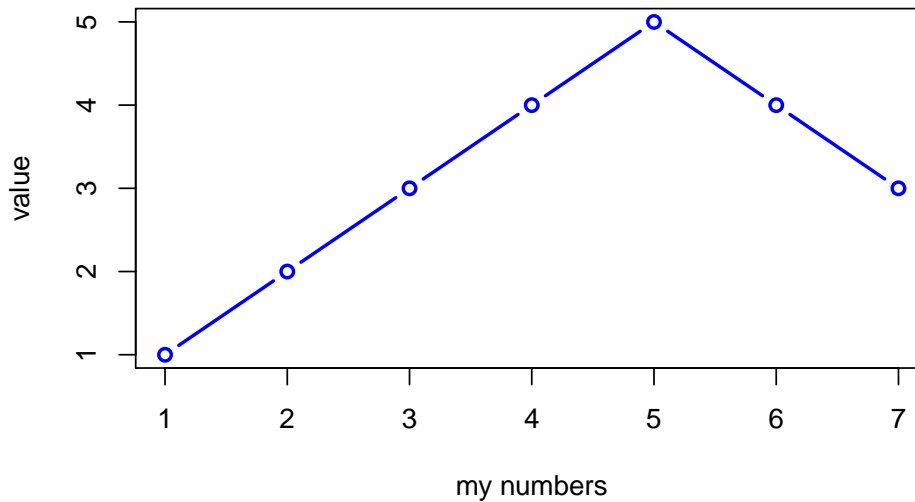

Hello world. Here is where I do my lit review.

Methods

I haven't really done anything yet.

Results

I have a list of numbers. Whoopee. Here is a plot of my 7 numbers:

The mean of my list turned out to be 3.14.

Discussion

What would you like me to discuss?
